Dear Mike:

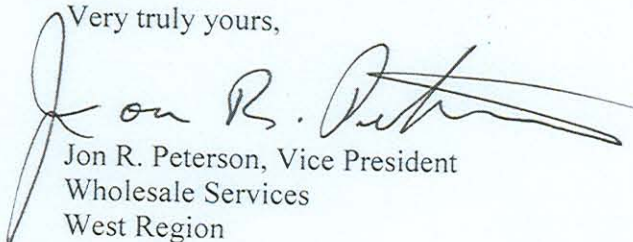

On behalf of everyone at Qwest, I would like to express our sincere appreciation to Optic Communications for its commitment to the relationship between our organizations and the resultant successes enjoyed by Qwest.

Qwest is constantly seeking to forge relationships with organizations filled with a passionate initiative to provide quality service to today's telecommunications consumer. While working together, Qwest has witnessed Optic Communications demonstrate unique leadership in the telecommunications industry and specifically, in the service of the business customer.

At Qwest, we recognize that as industry competition becomes increasingly intense, teamwork and cooperation become more essential to business success. Qwest takes great pride in associating itself with the team of innovators and strategists assembled at Optic Communications.

We look forward to maintaining a long-term relationship with Optic Communications and benefiting from the collaborative teamwork, which guarantees the growth of Optic and Qwest.

Very truly yours,

Jon R. Peterson, Vice President
