

"Simply taking care of what matters"

Authorization to Change Carrier(s)

Undersigned authorizes Optic Communications and any LEC to remove any PIC freezes on our account and to verbally PIC our lines to CIC code assigned by Optic. By signing below, Customer selects Optic Communications (Optic) as its preferred carrier for all long distance calls. Customer understands that this authorization will result in a change from its existing long distance telecommunications carrier(s) to Optic. Customer authorizes Optic to act as the customer's agent to implement the carrier change(s). Accounts billed in cents per call unit. Per call non-usage charges apply. Details of call units and charges are contained in the Optic Welcome Package available through your sales representative or anytime by calling 800.842.9376.

If 800 service is requested: The under signed also appoints Optic as Customer's Agent with authority to select a Responsible Organization ("RESPORG") for the management and administration of 800 data base records customer with respect to the 800 numbers listed below.
